

Nigerian Varieties Part 1

Beyond the catalogue

Mostly NSP&M printing flaws

Eclectic selection

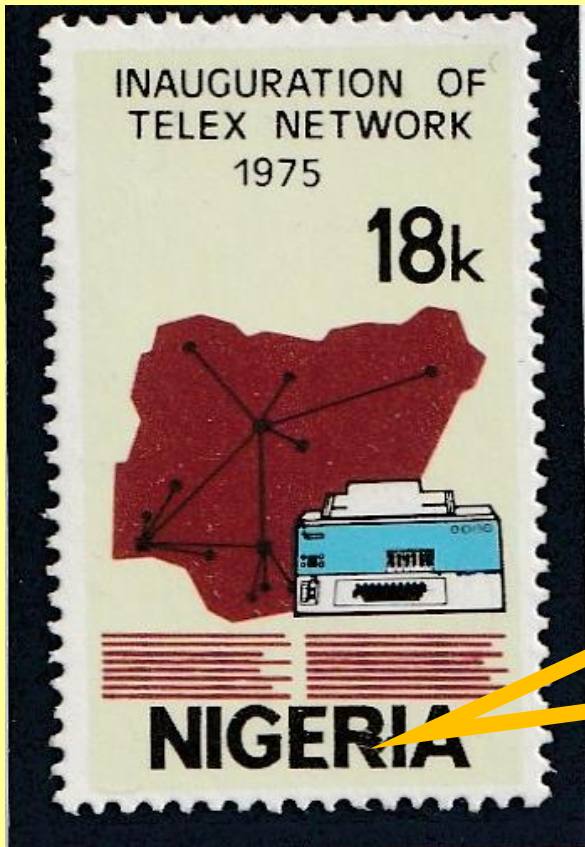

Watermark and perforation flaws another time

Inexpensive, some acquired from WASC Auction

Inauguration of Telex Network Issue 1975

18k Black flaw on 'R' of NIGERIA

Mint, unlikely to be constant

25th Anniversary of National Museum 1982

**Dark and light impressions of the leopard
on 20k Royal Bronze Leopard**

Used, were there two printings?

Also litho flaw on bottom left frame

Nigerian Life Definitives 1986

10k Broken 'G' in NIGERIA

Used, believed to be constant

Nigerian Life Definitives 1986

Broken frame, 'G' & 'E' in NIGERIA

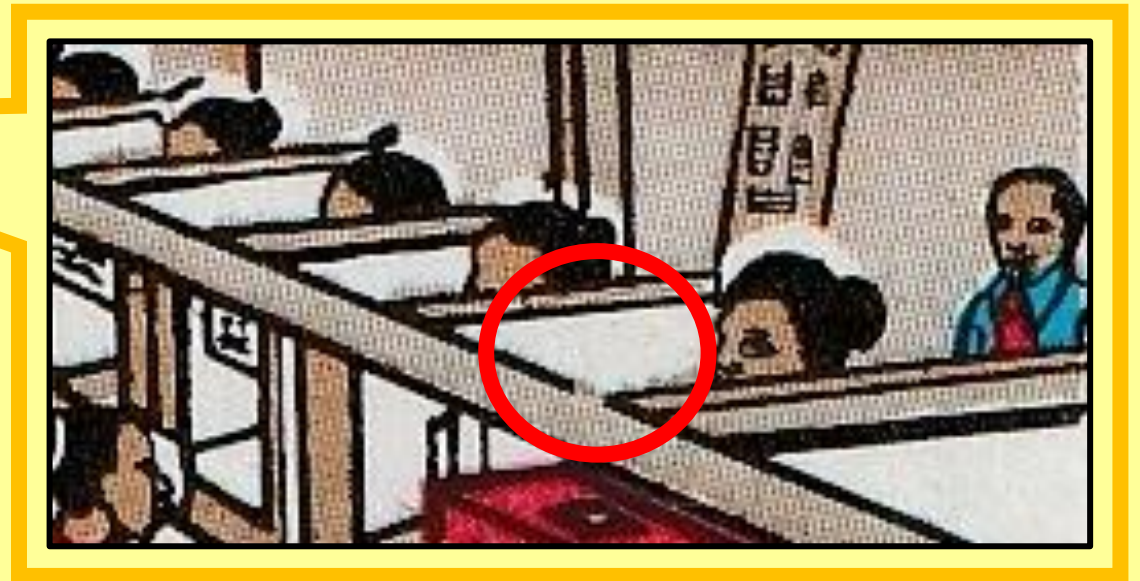

Used, intrusion of foreign matter during printing,
very unlikely to be constant

Nigerian Life Definitives 1986

50k Broken Counter beam

1992 issue with no watermark, mint, believed to be constant, on how many stamps across? Very common

70th Anniversary of Nigerian Girl Guides Association 1989

10k White flaw on base of 'N' of NIGERIA

Mint, unlikely to be constant

Wildlife Issue 1993

Darker and Lighter Elephant

Used, only a slight shift, unlikely to be constant

Black correctly positioned
- lighter elephant appearance

Black shifted slightly to right
- darker elephant appearance

End of Part 1

Thank You!
